										<b>OBSERVATION:</b>				
										We really need to correct the injustice of the minimum of two-per-conference rule:				
										Europe and Phiippines: 1.7% of membership 9.2% of delegates				
										Europe reported membership is down 8.5% Delegates remain the same				
										Philippines reported membership down 27.6% Delegates up 6 or 14.3%				
										Under the formula: Europe would have total of 8 delegates; Philippines would have total of 14 delegates — a total of 22 delegates rather than 90
